2.1 Should a defect appear in the equipment within the unit or extended warranty period, Sigtex will, at its option, repair or replace equipment without charge. Such repair or replacement shall be to the purchaser's exclusive remedy.

2.2 The Pro Rata Warranty period begins on the date the full battery warranty period ends. A battery determined to be defective during the Pro Rata Warranty period shall be repaired or replaced at a cost equal to the net list price in effect at that time, reduced by the percentage obtained in multiplying 5% by the number of full years remaining in the total warranty

3.3 If new replacement parts are shipped before defective goods are received for evaluation, the replacement parts will be invoiced at the net price in effect at that time. These charges will be credited if, upon receipt and evaluation of goods, a defect is determined. Only replacement parts will be shipped under these circumstances, if field replacement possible. At no time will new unit equipment be shipped for replacement purposes.

4.2 This warranty does not cover damages caused by abuse, fire or acts of God, such as lightning, explosions, water leaks or acts of war.
